

SPECIAL MUSIC DURING NOVEMBER

Sunday 28th November 6.30pm

The Advent Sequence - Veni Emmanuel

Advent is a season of many moods, not least a time of rejoicing as we look forward to Christmas. The Advent Sequence has been put together by Peter Moger, now Precentor at York Minster and the musician David Ogden. It is based around a framework of the Great Advent 'O' Antiphons as is one of the hymns we shall sing, 'O come, O come, Emmanuel'. Readings and music are interspersed with the Antiphons. The service commences with the lighting of the Advent Candle and Blessing of the Light after which the light is shared among the congregation. During the service we move in stages from west to east with a final procession to the west end for The Dismissal.
