

INVITATION

City Deanery Workshop

Your Parish is invited to a Workshop to discuss the forming of the Strategy for the deployment of City Deanery resources over the next 5 years:

We need at least 2 representatives from your Parish (who do not have to be Deanery Synod representatives) to one of the two kick off workshops which will be held on

***Monday 19 April 2010,
7.30 pm-9.30 pm,
at St Matthews Church, Kingsdown,
and
Wednesday 21 April 2010,
7.30 pm-9.30 pm,
at St Mary Magdalene Church, Lockleaze***

This is your chance to be involved in formulating the Deanery Strategy. If your Parish is not represented, you will not have a chance to let your views be known.

Please come back to us by Wednesday 25 March 2010 at the latest with names and numbers of those attending.

Background:

You will see that the minutes of the last Deanery Synod meeting held at Lockleaze on 4 February 2010 mentions 2 presentations, one by John Goodgame and one by Beverley Charles. These Presentations are attached to the minutes which have been sent by email. We realise that not every member of the Deanery Synod receives their minutes by email but every parish should have access to at least one set of minutes which have been sent electronically.

We therefore request that these presentations are shared with members of each congregation and would like you (if you have not already done so) to inform Caroline Taylor once this has been done using the contact details below. We need to ensure that every congregation has been made aware of the deanery strategy process as it is important that every parish engages with this process. This process will inform you all on the decisions about the deployment of resources in the deanery over the next five years and it is vital that the views of every congregation are heard by the strategy team.

The process of forming the strategy for the deployment of resources will begin with two kick off workshops, details as overleaf.

If you have not already done so, please let Caroline know which workshop your parish representatives will be attending by
Wednesday 25 March at the latest:

Caroline Taylor
City Deanery Assistant
St Luke's Church
Church Street
