

**“Grounded in the Holy Land” - Reflections
on a Pilgrimage to Israel & Palestine - by
Dave Brain of St Aidan’s**

Thursday 15th April @ 7:30 p.m. in St Aidan's Lady
Chapel

The 'reflections' will feature slides of the places associated with Jesus' ministry, the history of Israel and the Israel / Arab / Palestinian conflict. I hope to be able to bring to life some well-known Biblical references and share the insights they've given me on a personal faith journey. There will be a retiring collection for an Israeli charity working to build bridges between Jewish and Arab school children.

It'd be great if you could include this in announcement and/or pew-sheets for Sunday 11th April. Thanks in anticipation.
