

## **Deanery Synod Seeks Secretary**

I would be very grateful if Synod members can think of anyone in their parishes/partnerships who would be prepared to act as Secretary to the City Deanery Synod. This would involve taking the minutes of the meetings and sending out the minutes and the agenda, and keeping the lists of members up-to-date.

This is an urgent request as the demands of the Area Dean role are being increased and Caroline, as my p/t assistant, will be required to support my role in other ways.

The role of Deanery Synod Secretary has traditionally been a voluntary role. We are able to cover costs of child care and travel expenses as well as office expenses such as printer cartridges, paper, postage, phone calls, etc.

With best wishes, Debbie Frazer
