

FishFest

Saturday 11th September 2pm - 10pm
All Saints Community Hall & Ground, Grove Avenue
Entrance Fee: Adults £2 Children 50p
(payable on the gate)

Some of you will have heard about the community events taking place over the past year in Fishponds. Well, the next event is upon us - and I'm pleased to say that as a church we have been approached to also be involved - by helping out or by just attending! This gives us a great chance to meet members of our local community in an event primarily organised by the community - and requested by the community. It would be brilliant to see as many of the church community coming along if possible.

There will be live music from 2pm until 10pm - featuring many local bands - with a range of ages. I am particularly looking forward to the 'Ramshackle' orchestra (created on the day!) - an orchestra open to all I understand - you just need to bring any sort of instruments, spoons or voice! The organisers were particular delighted to have John Waldren involved (hoping John can still make it).

From the church perspective - there were 3 things that sprung to mind that we could offer - and that the community like:

Particularly requested was one of our infamous cake stalls!!! So - if any of you are willing to help look after the stall for a while that would be really appreciated. We also need lots of people baking to have goodies to sale.

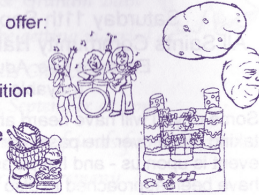

We've offered to do some refreshments in the way of tea, coffee and squash - so again, volunteers are needed.

The 3rd thing is to have the second hand books on sale - which I am more than willing to look after.

Other help needed - general stall help, security, gate people, setting up and clearing up. If you want to run your own stall, selling things - you can. Just £10 a table.

Here are some of the things on offer:

- Arts and Craft tent
- Live Music
- Celebrity Potato competition
- Bring your own picnic
- Share your own produce
- BBQ
- Bouncy Castle

Also - there will be information around, about upcoming events in Fishponds, information about what is going to happen with the parks etc....

Put it in your diary - and contact Elisa or Dave Williams if you can help. We have a couple of names on the list - but the more the merrier. The more people - the more we can spread the load!

Money raised will be going towards the Fishponds Youth Group project and Church Hall Funds.

Thanks all. Elisa
