

Diocese of Bristol

Giving for Life Seminar

John Preston, the National Stewardship and Resources Officer, is coming to Bristol Diocese for four evenings in February and March to offer training to parish people about a good practice approach to encouraging giving.

Giving for Life has four key themes: **generous giving** is an integral part of our **discipleship**, that resources God's **mission** in the world, and has an impact on our **lifestyle**.

We hope that every parish will encourage at least one person to come who will be able to act as a 'giving champion'. Treasurers will also be welcome.

Please ensure that the cut off slip below is returned to Church House, so that we will know what numbers to expect at each venue.

Many Thanks
