# This might be for you!

The 2nd Ecumenical Kirchentag is Europe's largest Christian festival where Christians from Germany and around the world are getting together, organised by lay movements of the Protestant Churches and the Roman Catholic Church in Germany. It will take place in Munich, Germany, 12th-16th May 2010. It Over 100.000 visitors are expected for worship, lectures, discussions, workshops, bible studies, concerts, theatre, joint singing and much more.

Many visitors from the UK have enjoyed the event in the past. It would be great if even more would go this time. You don't need to speak German to be able to participate!
