

Building and developing Ministry Leadership Teams

Step One

Together we will deepen our understanding of what a ministry team is and develop useful skills in working as ministry leadership teams during the sessions.

Each parish is warmly invited to send several people to the sessions. Those attending should bring a bible with them. Please register by February 21st with Mark Gartside (0117 9586412 / info@eastbristol.org.uk) and feel free to contact Keith Thomasson with questions. (0117 9657740 / keiththomasson@hotmail.com)
