

# East Bristol Partnership Re-Launch Service

From the Review Document:

“I propose that on months with a fifth Sunday you hold a partnership service in one of the churches and that there are no other main morning services held in any of the churches on that day.”

With guest  
speaker Roger  
Morgan from  
ReSource in  
Wells.

**Sunday 31<sup>st</sup>  
October  
2010  
10.15am  
All Saints**

Please note this service will begin 15 minutes later than usual services, so that people who just turn up at churches can have time to get to All Saints / be given a lift by nominated persons.  
All Saints Church, Grove Road, Fishponds, BS16 2BW.
