

Monday Evening Bible Study - November / December 2011

53 Stonebridge Park, Upper Eastville, BS5 6RP
7.30-9pm

Over Advent, the Monday evening bible study group will be using the Advent study prepared by Michael Selman. Since this is a four week study, and Christmas day is on a Sunday, this fits well into the four Mondays in Advent. Since we have just finished the series of studies from the Taizé book *Seeds of Trust*, we have decided to look at the letter from Jude in the one week we have spare. this gives the following programme:

21st November: Jude

28th November: Advent 1—Persistence

5th December: Advent 2—Listening to God's word

12th December: Advent 3—Be still and know

19th December: Advent 4—Thank God!

We will not meet on 26th December.

Thanks and God bless,

Mark Simms
