

Hi everyone,

Just a reminder for the Partnership table-top event. I am aware that some churches do not think they will be able to hold their own table for various reasons. I am sure we can have a universal table that all donations can be placed upon, so long as there is some help to man this and sell the goods.

If you think your church can only donate a few items, that is absolutely fine and/or provide people to help out... I am not sure if it matters how it is done, only that we should do it as a group of churches rather than try to do it on our own. If you can offer help or goods, no offers will be refused.

Goods can be brought into the church on Friday 26<sup>th</sup> February between 3-5pm and from 9.15 on the Saturday morning. If you are coming to help, if you could be there from about 10.30am so I have some idea of whom we have to help out.

If your church is able to run a table of its own or wants to rent a table for its own fund raising please let me know, I have started to advertise the event and we are limited to the number of pitches we can rent out.

The event is to run from about 11am to 1pm and we are offering free soup and a bread roll in the hope we attract some extra visitors over the lunch period. Please contact me if you need any further information.

Best wishes Liz Welling
