

Taize session Sep 5th 2010

4pm meet and greet.

4.15pm: Explain what we are doing with the theme WORSHIP:

The shape of the afternoon:

The elements of worship at Taize

chants

bible study

silence

refreshments and hospitality

preparing the space

rehearsing.

Bible study: Luke 14.

Questions:

What does it mean to 'take up the cross'?

What does 'being a disciple' mean in everyday life for me?

Evaluation of the afternoon workshop and service:

Confirmation candidates are invited to reflect on the session and worship simply answering these three questions:

What did I really like and why?

What did I like less and why?

What gifts do I bring to the worshipping community?

We will share these when we meet again and so it is worth putting your answers in a folder especially for confirmation (use this sheet and hole punch it) or in a notebook dedicated to your confirmation course. You may also want to engage in some creative writing or art work as part of your reflection.
Thanks, Keith
