Dear Uganda connection,

The next Prayer & Information evening is scheduled for Monday week, June 21st. I have been pre-occupied with family matters and have left it far too late to arrange and advertise a venue; apologies. You are therefore invited to our place at 16 Drakes Way, Portishead for strawberries, information & prayer; 7.30 pm. It would help us to get the right quantity of berries if you could let me know if you are planning to come! In any case, the main 'business' of the evening will be to pray for our party travelling to Uganda in August. So even if you are not able to be with us personally, maybe you might find some time to join us in prayer for them.

Every blessing,

Alan & Margaret
