

Womens World Day of Prayer

Friday March 6th. at 2.00p.m.at St.Joseph's Church,Lodge Causeway,Fishponds.

This is an annual,worldwide,eucumenical celebration locally organised by Fishponds Churches Together and taking place around the world on the same day. A different service each year is prepared by Christians in one country of the world in turn.The content of the service highlights causes of concern and praise in that nation and emphasises unity in Christ through word and worship. This year the service has been prepared by Christian Women of Papua New Guinea.The speaker will be Mrs.E.Kenny.

Although retaining it's original and many feel dated title WWDP welcomes men and women and is a unique and inspiring worship event building fellowship worldwide, locally and ecumenically,

St.Joseph's church is conveniently located in the centre of the East Bristol Partnership "patch" and I urge as many of you as possible to give WWDP a try or in the case of many faithful regulars your ongoing support.

I welcome any questions,queries or comments.

Yours in Christ,
