

Human Trafficking is the most shameful crime of this generation; it is the movement of people by means such as force, fraud or deception, with the aim of exploiting them.

It is modern day slavery!

The UK is a major destination for victims of human trafficking sold into the sex trade, and Bristol is no exception to these practices.

"I have indeed seen the misery of my people in Egypt. I have heard them crying out because of their slave drivers, and I am concerned about their suffering. So I have come down to rescue them..." (Ex. 3 v7-8 NIV)

unseen(uk), with the support of Stop The Traffik, is hosting an information evening giving you the opportunity to:

- Learn about worldwide and local forms of human trafficking.
